## Division News

### Emeritis Division

We hope you are having a good start to your school year! Looking forward, OAEA member art teachers are invited to submit photos of artwork for our art gallery at Will Rogers Airport in Oklahoma City. Our gallery started there in 2019 and features artwork by students all around the state K-12. We would like to have elementary art for 5 frames, Middle School/Jr Hi for 5 frames, and HS artwork for 5 frames. (one or two student works per frame/teacher.) Please use the 3 forms on our FB page under Files at the top of page. The forms are also on the OAEA website. The deadline for submission is October 2, 2023. The artwork will be installed in mid October and will be on view in the West Meet and Greet Lobby through mid April 2024. Thanks Donna Barnard and Valerie Beck.

*OAEA Mission: To provide Visual Arts Educators with a professional organization which facilitates a statewide networking community to develop, promote, and support arts education.*

## Division News

### Preservice Division

The Preservice Division in collaboration with OAEA is hosting another set of fundraisers this year! They will be selling OAEA t-shirts and stickers with an Andy Warhol Campbell Soup inspired graphic. Sales of OAEA merchandise will be available to purchase at a later date, as well as during this year's conference. The team also is excited to be selling student work during this year's conference as well, featuring student artwork and miscellaneous goodies. Proceeds go towards a need-based scholarship for student teachers studying Studio Art, Fine Arts, or Art Education in their final year of college. To find more information about the scholarship, please view the application portal [here](#).
